

ART DECO SOCIETY of NEW YORK

New York is blessed with infinite expressions of Art Deco—a broad and innovative style that conveys the spirit of the inter-

war years. From 1920s skyscrapers to mass-produced goods, motion pictures to graphic arts, the endless reach of Art Deco inspires and enriches our lives. ADSNY is dedicated to the celebration and preservation of this distinctive and enduring realm of 20th century design.

Each month, our programs include a variety of illustrated lectures by noted scholars, guided walking tours, bus trips, author talks, museum and gallery events, foreign travel, historic preservation advocacy, and jazz-filled socials that probe New York's unparalleled wealth of Art Deco. In addition, we assist property owners, visitors, students, and design professionals interested in learning more about this dynamic period. As a member of ADSNY you will enjoy many free or discounted programs, special cultural events, parties, and more....Join us today and support our important mission!

The Art Deco Society of New York was founded in 1980 as a 501 (c) 3 nonprofit organization. Your membership and support enable us to fulfill our mission to both celebrate and preserve our Art Deco heritage. Contributions to ADSNY are tax-deductible. ADSNY maintains member privacy by not selling its membership list.

ADSNY is a member of the International Coalition of Art Deco Societies (ICADS) which convenes a World Congress on Art Deco every two years to celebrate and honor Art Deco preservation internationally.
